DECLARATION OF REASONS

The LATIN AMERICAN CENTER OF COORDINATION OF STUDIES born of university leadership shaped and organized its activities after October 1959. It lanced its Principles Declaration, with the Declaration of Reasons that outlines all its activities in the cristian and democratical principles.

With the purpose to accompany nearly the movements and activities of the youth, through its university and colleges squares it has participated on congresses and on national and internacional meetings meetings, where was discussed the Latin-American problems, trying ever to act in the best and rightest form for our continent. In all that meetings the CLACE has defended, coordinated and consult thou, that the leaderships would participated in the spirit and democratic structur, defend our culture and our loyalty to the ocidental world.

In the decorrence of all activities the CLACE has structured the greatest history and documentary heap of the students and youth movement of Latin-America, filling through a gap that was to feel in this middle.

ORGANIZATION

The CLACE is a civil entity, legally instituted and directed by a Board of 4 Directors: the president-director, the secretary-director, the planification-director, and the financial-director,

elected according to statutes and attended by a Secretariat.

The permanent activities of the CLACE are the following:

1. Information Service

This service aims to keep the information up to date mainly what concerns its purposes, and particularly the central file and meetings calendar, conferences and elections.

2. Relations Service

Is in charge of the correspondence and of the connectin between the Latin American and Internacional entities.

3. Promotion Service

It is organized to promote the foreign relations, therefore favouring the ideas and information exchange.

4. Social and Cultural Action Service

It is incharge of the studies and elaboration of constructive programs.

5. Press Service

It is dedicated for the propagation of CLACE's activities, the publication of the magazine, newspaper, bulletins and special studies.

The CLACE has the following purpose:

- A- To serve as a permanent information center for Latin American problems and situations, of national and international range, and is at the disposal of Research Institutions and Authorities.
- B- To promote information and ideas exchange in order to fight for the economical and cultural development.
- C- To promote the search for objective means of positive ideal and its application in an efficient educational and social action.
- D- To try by all means to make the Latin American politics more coherent with its problems and independent of external interferences.
- E- To coordinate the action of the cultural efforts and social assistance.
- F- To promote, by all means, the good relationship between the several Latin American countries.
- G- To publish an informative magazine.
